ABOUT ME

I'm currently pursuing a Bachelor of Science in Information Technology and enthusiastic entry-level front-end developer with hands-on experience in HTML, CSS, JavaScript, Bootstrap, and SQL. Recently start working with React and Tailwind CSS. Passionate about creating clean, responsive, and engaging web applications. Eager to continuously learn through hands-on projects and collaborate with dynamic teams to stay updated with modern web development trends

TECHNICAL SKILLS

HTML

CSS

Bootstrap

SQL

Basic PHP

Tailwind CSS

EXPERIENCE AND PROJECTS

Fresher

projects:

Appie-React

Tech Stack: HTML, CSS, JavaScript

Developed a responsive landing page from scratch using HTML, CSS, and JavaScript. Focused on clean layout design, modular code structure, and smooth cross-device performance. Gained hands-on experience with media queries, semantic HTML, and basic DOM interactions.

Recipe App

Created a responsive recipe web application using Bootstrap and JavaScript. Integrated a third-party API to fetch and display recipes based on user input. Implemented dynamic content rendering and interactive UI for a smooth user experience
